**School Information / Información sobre la escuela**

In 2014, El Paso Independent School District and El Paso Community College jointly created Borges Early College High School. This unique school, first in the El Paso area, is specifically designed to provide students the opportunity to begin college during the ninth grade. This program enables students to progress in four years from the ninth grade through the first two years of college earning both their HB5 high school diploma and either an Associate of Arts.

**Students are a part of the Borges family, able to participate in high school activities and extra-curricular program throughout their four years in high school.** Under this model, BECHS provides dual credit at no cost to students; offers rigorous instruction and accelerated courses; provides academic and social support services to help students succeed; increases college readiness; and reduces barriers to college access.

Our commitment to our Borges community is that we prepare, nurture and guide our students to achieve excellence in all areas. We have created a great partnership between El Paso Community College and the University of Texas at El Paso. **This partnership will remove any perceived educational obstacles for our students in their personal goals and dedication to earn an Associates degree, Bachelors degree, and beyond.**

En 2014, el distrito escolar independiente de El Paso y El Paso Community College hicieron un acuerdo al crear la escuela preparatoria de adelanto universitario, Borges Early College High School. BECHS fue la primera en el área de El Paso. Esta escuela está diseñada con la meta de ofrecerles a los alumnos la oportunidad de empezar la universidad durante el noveno grado. Esta escuela proveerá al estudiante una experiencia universitaria dentro del ambiente de una escuela preparatoria. También le dará al alumno la oportunidad de adelantarse ya que en cuatro años podrá obtener su diploma distinguido de la preparatoria y un título de *Associate of Arts (A.A.)*

**Los estudiantes son parte de la familia de Borges, con oportunidad de participar en las actividades, programas y deportes de la escuela secundaria.** Bajo este modelo, BECHS ofrece crédito dual sin costo para los estudiantes; ofrece educación rigurosa y cursos aceleradas; proporciona servicios de apoyo académico y social para ayudar a los estudiantes a tener éxito; aumenta la preparación para la Universidad; y reduce las barreras al acceso a la Universidad.

Nuestro compromiso con nuestra comunidad de Borges es preparar, nutrir y guiar a nuestros estudiantes para alcanzar la excelencia en todas las áreas. Hemos creado una gran alianza entre El Paso Community College y la Universidad de Texas en El Paso. **Esta asociación retira cualquier obstáculo educativo percibido para nuestros estudiantes en sus metas personales y dedicación para obtener un grado asociado, Licenciatura y más allá.**
